Credit/Deferral Guidelines:

Your credit and future deferrals may be applied towards a future registration fee for any Cascade Relays event to include Cascade Lakes Relay, Bend Beer Chase, and Boulder Beer Chase.

1. Your credit will not expire and can be used for any Cascade Relays event in 2021, 2022, or beyond at your team's discretion.
2. Your 1st deferral and credit cannot be combined with a registration for the same event in the same year.
3. You may use your credit for Cascade Lakes Relay and your 1st deferral in the same year, but they must be used for a different event. Example: your team may use your credit to register for CLR2021 and your 1st deferral for Bend Beer Chase in 2021.

For every year you apply your credit or deferrals, your team will receive guaranteed entry to Cascade Lakes Relay, as long as your team registers during the established lottery registration period.
