Food

Start Line Team Dinner

Join us Thursday night at Diamond Lake Resort from 4-9pm for dinner, packet-pickup and merchandise sales. Dinner is a set price and includes a delicious buffet of several entree choices and multiple salads (green/pasta/cous-cous/fruit/veggies) and a drink. Beer is additional. Come to get pumped up with other teams, ask questions and take care of packet pick-up so that you don't have to worry about it on Friday morning!

Walk and CLR 24 teams are welcome to join us in Diamond Lake for dinner; however, start packets will be at Silver Lake on Friday – CLR24 and Walk Relay teams cannot pick up start packets in Diamond Lake.

Food

Silver Lake Meal Options (Ex 12)

In addition to Silver Lake Cafe there are a number of wonderful mobile food vendors that will be serving you and your teammates at your first sleepover area behind the Firehouse! For the CLR24 teams these can be your kick-off meal to fuel your race.

There will be plenty of food vendors at the Finish Line party to choose from.

Additionally, we have a variety of beer and kombucha on tap. This is your team's time to sit back, relax and enjoy all that you have accomplished together.
