

A Global Medical Response Solution

Call Jeff Martinez at 541-241-4772
or Crystal Martinez at 541-707-7000 to enroll today!

Use GET Code 12315 and 12% of the membership
will go to support Cascade Relays Foundation

If 2020 has taught us anything, it's to be prepared for the unexpected! That's why AMCN offers multiple membership programs to provide you with the most amount of financial protection when the unthinkable happens.

AirLink CCT is the air ambulance helicopter that is on standby for Cascade Lakes Relay. As a participant you can protect yourself from any out-of-pocket expenses in relation to an emergency air ambulance transport performed by AirLink CCT or any AMCN provider by enrolling in membership. Membership satisfies 100% of your out-of-pocket expense not covered by your insurance including your deductible, co-pay and co-insurance. AMCN AirLink CCT Membership is valid across 320 locations in 38 states, so you are covered at home and while traveling.

AMCN Fly-U-Home adds extra protection for the unfortunate event you're hospitalized while more than 172.6 miles from your home residence. A Fly-U-Home membership provides access to a fleet of medically equipped, private aircraft ready to transport you to your local hospital of choice, should you or anyone living in your household become hospitalized more than 150 nautical miles [172.6 statute miles] from home anywhere in the contiguous 48 states. And as with AMCN AirLink CCT emergent membership, you'll have no out-of-pocket expenses in relation to the flight. Additional program benefits include a 24/7 Medical Resource Hotline and transport of mortal remains.

Neither AMCN program is insurance. You are purchasing coverage directly from the providers who perform the transport and employs the staff. **Best of all, 12% of the membership you enroll in will go to support Cascade Relays Foundation by using GET Code 12315 upon enrolling.**

Annual Membership is only \$199 for full membership or \$65 for basic emergent membership.
