Smells like *Team Spirit!* All of our CLR teams are spirited but only one team will be crowned “Most Team Spirit”. Get out your cowbells, costumes and decorations and display your pure awesomeness!

**Prize|** Winning team receives a gift certificate to 10 Barrel Brewing and some unique swag.

### **ABLIS CBD Ultimate Raver Leg 19 & 29**

**Alright party people, show us your LIGHTS and NEON!** Use color and lights any way you can to make yourself look like a “glowing runner” that will light up the night streets. Be as creative as you want, but your light arrangement can’t interfere with the vision of oncoming traffic and you still have to abide by CLR’s night running rules (flashlight/headlamp, reflective vest and flashing red lights)

**Prize|** Nothing but the best swag and product from Ablis CBC for our ultimate raver!

## **Deschutes Brewery Costume Leg 28**

Okay gang, this is where the magic happens! We ALWAYS encourage costumes and can you blame us, they make for the best photos!

**Tags |** #cascadelakesrelay @cascaderelays @deschutesbrewery

**Prize|** Top 3 will receive a gift card and swag from Deschutes Brewery. All finishers of Leg 28 in costume will receive a full beer from Deschutes Brewery to enjoy at Elk Lake (samples available for everyone else!)

## **Avid Cider Best Decorated Van**

This display of creativity and spirit needs no description but here it is all the same: BEST DECORATED VAN. We're talkin' the works: Paint, Inflatables, Photos, Stickers, Lights. The options are endless and we can't wait to see what our teams come up with!
