Time limits vary from 15min, 2-hour, 3-hour, 4-hour, and All-Day options. Streets are clearly signed with time limit signs. Please view and observe posted time restrictions. All time-limits are for parking zones. Moving your vehicle from one time-limited space to another does not extend the posted time-limit.

### Paid Parking Lots

The City of Bend operates metered parking lots in downtown Bend. You can download one of three Mobile Parking Apps, create an account and use it to pay for parking on any lot in Downtown Bend. Simply enter the zone number, your license plate number, and the amount of time you need for your spot.

You can extend your paid time up to the posted time-limit.
